

Rabbit Brain Cephalin, Liquid Extract

Product Data Sheet · P/N 74003 Rev 03 · Reissued 2026-09-19 (layout only)

Product code	Pack size
41052-1	5 mL
41052-2	10 mL

Description

Rabbit Brain Cephalin may be used as a phospholipid source in phospholipid-dependent coagulation assays. The phospholipids are isolated from Cholesterol-Free Rabbit Brain Acetone Powder via chloroform extraction, dried, re-suspended 0.85% saline solution, and frozen at -20 °C.

Physical State

Frozen clear liquid

Testing

Phospholipid concentration (PE, PC, PS, PI) reported based on 31P-NMR analysis.

Packaging

Glass Vial

Storage Temperature

-20 °C

Shipping Conditions

This product is shipped in a frozen state, either with dry ice or in a refrigerated cargo carrier.

Expiration

Product quality is guaranteed to meet Pel-Freez Biologicals' specifications for 1 year from the date of receipt by the customer as long as the product is stored in accordance with the indicated storage conditions.

For research use or further manufacturing only. Not for use in diagnostic procedures, or for human or animal consumption.
